## A Newsletter for FPI Testers

January 2015

### **It Takes All Kinds of People**

...to make a test go well! We are looking for testers of various ethnicities. Specifically, we have a current need for testers with Black/African or Hispanic/Latino heritage. If you have friends or family with a non-caucasian ethnicity we hope you'll tell them about FPI Testers. Once they sign up, they will be able to screen immediately for any available tests.

### **Baby It's COLD Outside!**

It's enough to give anyone the chills! If you are sick, we ask that you refrain from testing until you are well again. You will not be penalized if you call to cancel. Our site operations team has an obligation to turn away testers who are obviously ill, in order to protect our other testers. We want you back on your feet and testing with us again as soon as possible, so stay home, stay warm, get plenty of rest, and get well soon!

### **'Tis the Season... For Cancellations!**

We receive many cancellations at this time of year due to illness and bad weather. That can be good news for you!

If you have qualified for a test but no available sessions work for you, check again! When we receive cancellations we open those spots up to those who have already qualified. You'll find all open spots in your Session Selector on the website.

### **Turning 18? Happy Birthday!**

Under our new system, all testers who are 18 or older must have their own individual accounts. If you have previously been a child tester under your parents' account, please call our Customer Care Department to create your own account. Once this has been done you will begin receiving emails about upcoming tests and you can log in to see which tests are available to you.

### **Enjoy Testing with FPI?**

Tell your friends and family how easy it is to test with FPI! We regularly conduct tests in locations throughout the metro area. New testers may sign up at [www.fpitesters.com](http://www.fpitesters.com), or call our Customer Care department at (763) 354-2776.

### **Follow FPI Testers On Twitter and Facebook!**

We post up-to-the-minute news on tests and we also have some fun! Check us out to see what we're talking about today!

You'll find us at [facebook.com/fpitesters](https://facebook.com/fpitesters) and [twitter.com/fpitesters](https://twitter.com/fpitesters).
