

# The Scoop

## A Newsletter for FPI Testers

June  
2014

### **FPI Testers' Website Is Getting a Makeover!**

Coming this summer, we will unveil a beautiful new website for our FPI Testers. We are making many improvements, including:

- More self-service features, with easy access to view and update your profile information.
- At-a-glance information on your testing and payment history.
- Easy access from your mobile device.

The redesign of our website will make it easier for you to find tests and other important information you need instantly. We can't wait to show it to you!

### **We're Looking for Gluten-Free Testers!**

If someone you know is following a gluten-free diet or is restricting the amount of gluten they eat, please tell them about testing with FPI. We currently have a test for gluten-free testers, and expect to have more tests in the near future.

New testers may sign up by going to [www.fpitesters.com](http://www.fpitesters.com), or by calling our Customer Care department at (763) 354-2776. FPI regularly conducts tests in locations throughout the metro area. Thanks for spreading the word!

### **Finally...It's Summertime!**

It took a long time to get here, but summer has finally arrived! Summer in Minnesota is a wonderful season. It's easy to forget how dangerously hot it can get inside our cars as they sit in the sun.

For the safety of your kids and pets, please do not leave them in your car when participating in a taste test. We monitor our parking areas closely, and must call authorities if we see children or pets left unattended. So please...stay safe and enjoy your summer...you've earned it!

### **Enjoy Testing with FPI?**

We want to hear from you! Tell us what you like about testing with FPI, for a chance to have your comments featured on the home page of our brand new website! Paste this link into your address bar to submit your comments.
