3. Log in, using your PID and PIN.
4. Scroll down to find Available Tests.
5. Click on any test that interests you.

It's that simple! If you need your PID and PIN, call our Customer Care Department, at (763) 354-2776.

Happy Movember!

No, that's not a typo. Movember is a moustache-growing event held each November, to raise funds and awareness for men's health. Guys start the month clean-shaven, then grow their moustaches for the entire month. The new moustache sparks conversation, which in turn generates awareness and education. This prompts men to take action and change their behavior.

During Movember, each moustache generates more than 2400 conversations about men's health! For more information, go to us.movember.com.

Autumn...

"How beautifully the leaves grow old.
How full of light and color are their last days!"

- John Burroughs

Thanksgiving Tips and Tricks

- Checklist, please! Start with a menu and a list of every dish you'll be serving, including bread and drinks. Review recipes and note what you can make ahead. The day before the big dinner, set out serving pieces and utensils. Label with sticky notes to remind yourself which piece goes with which dish.
- Short on prep space? Use your dishwasher! Run the heated dry cycle, and while it's still warm, place rolls or bread dough inside the warm dishwasher to rise, while you use your counters and oven for other important tasks. Just don't forget about them!
- Set each guest's place with a card, which says, "I'm thankful for NAME because..." and put one reason why you are thankful for that guest. If you have kids who are old enough, let them help with this task!

Have Kids Under 18?

Remember, only parents can answer online surveys for kids. To qualify for a kids' test, just sign on with the child's PID and PIN. Or, if you receive an email about a kids' test, the Qualify Now button will take you directly to the test for your child.

Happy Thanksgiving from all of us at Food Perspectives!
